

GGK® Next Generation Prenatal to 36 Months Tier Self-Study Certification

This self-study certification is an engaging, productive, and fun learning experience via our online learning platform, the Great Kids Academy.

Staff are required to be certified in GGK before using the curriculum with families.

Features

The GGK Next Generation P-36 Tier I Self-Study certification consists of approximately 34 hours of learning content that is suggested to be completed over one or two weeks. **It is best practice to avoid scheduling unnecessary meetings and blocking time to complete the training.** Participants must complete each portion of the self-study to receive a certificate noting they completed 34 hours of learning content.

Certification Features:

- 1** The GGK Next Generation P-36 Tier I Self-Study certification is broken into five parts, allowing for a completion time frame that works for your schedule.
- 2** Participants have access to the self-study for 120 days after enrollment to allow for reviewing content and downloading any necessary materials.
- 3** Monthly post-training support calls with a Great Kids Trainer available in English and Spanish.
- 4** Automatic enrollment in GGK Next Generation P-36 Tier II Staff Development Program.
