

BETTER COMMUNICATION DEEPER CONNECTION

With increased social media usage and computer technology, people spend less time interacting face-to-face, causing a decrease in relational communication skills.

That's why Great Kids is offering **ENGAGE**, a research-based communication framework training for responsive partnerships and effective engagement.

ENGAGE PARTICIPANTS LEARN HOW TO:

Gather info
to build rapport

Use reflective
listening skills

Provide closure
to conversations

Build upon
strengths

BECOME AN EFFECTIVE COMMUNICATOR

Enhance your communication skills to build stronger relationships, inspire action, and create lasting connections in every conversation.

HANDLE CONFLICT BETTER

Learn how to give people a chance to speak and explain their point of view, making it easier to prevent conflict.

BUILD EMPATHY

Understand why people feel the way they do to help boost relationships.

GROW SKILLS IN 3.5 DAYS

Develop effective communication skills with 12 hours of live webinars and 9 hours of online learning.

|| It's changed how I think about starting a conversation, being present and engaging within the interaction, and how to leave people feeling whole. ||
