

PLAY & LEARN TOGETHER

Parents are their child's first and best teacher

That's why Great Kids® created **GK Together®** to empower parents with essential parenting skills with our play-based curriculum for parenting groups!

STRENGTHENING FAMILIES IN YOUR COMMUNITY

The GK Together® curriculum is used in a group setting to connect families through shared experiences while strengthening parent-child relationships using play-based learning.

RESEARCH-BASED

Share the most up-to-date and latest research to support families

HEAD START STANDARDS

A versatile design that can meet the needs of various programs and professionals

TIME SAVING

Gives you more time to facilitate impactful parenting groups and spend less time planning

“ The activities are simple and easy to gather materials for, so they have been great for our families and playgroups. ”

CONVERSATION GUIDES

Includes prompts to tailor the sessions and plan for the culture of individuals & your community.

26 SESSIONS

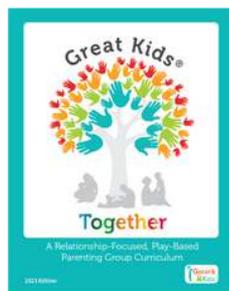

Robust session plans with developmental activities, discussion guides that can be completed in any order & additional planning documents.

INCLUDES EVERYONE

Serve a variety of family structures & ages during any given session, virtually or in person.

INTERESTING TOPICS

Facilitate relevant discussions on topics like self-care, stress management & child development.
