**EXPLORE
CURRICULUM**

Nurturing Connections, Inspiring change

Great Kids' curriculum for home visitors and caregivers has helped hundreds of thousands of children feel safe and secure, loved and valued, curious and capable.

3+ decades of experience & over 50,000 people certified.

GGK Training & Curriculum, *Your Way*

GGK Next Generation Prenatal to 36 Months

An evidence-based, trauma-informed curriculum for home visitors to help families thrive from pregnancy through toddlerhood.

Pick a Curriculum Format

✓ Digital

A fully searchable, all-in-one solution with transferable licenses, automatic upgrades, multiple languages, and everything you need in one easy-to-use digital platform. [Learn more](#)

✓ Hardcopy

A printed format for hands-on implementation, with manuals by developmental stage and a Great Kids tote bag included.

Choose a Training Path

✓ Self-Study

Enrollment means you can immediately dive into 34 hours of interactive self-paced modules at your convenience. Included with digital and hardcopy.

✓ Trainer-Led Hybrid

Participate in 9 hours of interactive, virtual sessions over 5 days, in combination with online learning modules. Each training session is led by our certified trainers.

✓ In-Person Training

Immersive, 4.5 day, team-based learning led by certified trainers, with live demos, real-time feedback, and hands-on practice.

With **six or more participants**, we can bring a trainer to you.
